

NBC 2020

The Nordic Baltic Conference on Biomedical Engineering and Medical Physics

18 - 20 September 2020 // Reykjavik, Iceland // www.nbc2020.is

Venue:
**The new building of
Reykjavik University**

Sponsored by:

Welcome to the tri-annual Nordic Baltic Conference on Biomedical Engineering and Medical Physics in Reykjavik

// 18 - 20 September 2020 //

A variety of topics in medical technology and physics will be presented, with emphasis on the emerging fields of imaging, modelling and new treatment options.

Alongside the conference a medical device exhibition will be held.

We look forward to seeing you in Iceland.
