

IFMBE Education & Accreditation Committee (E&A) and Students & Recent Graduates Working Group (S&RG-WG) organized a successful activity at MEDICON & CMBEBIH 2023

The MEDICON & CMBEBIH took place in Sarajevo, Bosnia & Herzegovina (14th - 16th 2023) with people from different parts of the world.

On the second day, the Special Session: Education in Biomedical Engineering, For Professionals & for Students took place. This activity was organized by: IFMBE Education & Accreditation E&A Committee, IFMBE Students & Recent Graduates Working Group (S&RG-WG), and Program Committee of MEDICON & CMBEBIH 2023. Students from different regions, Europe, America, and Asia Pacific joined the session.

The session was oriented to the exchange of academic and professional experiences by a group of invited panelists in the field of Biomedical Engineering, Bioengineering, and Medical Physics. The main aim was to facilitate the exchange of educational experiences in the field of Biomedical Engineering among our distinguished invited professors and students hailing from diverse countries. The session was sheering by Prof. Martha Zequera. IFMBE AC member. Chair of E&A Committee and S&RG-WG. Professor of the Pontificia Universidad Javeriana, Colombia and by Dr. Lejla Gurbeta Pokvić, Verlab Research Institute for biomedical engineering, medical devices and artificial intelligence, Sarajevo, Bosnia & Herzegovina. Conference chair of MEDICON & CMBEBIH 2023, and coordinated by Leslie Cieza and Mateo Valverde, members of IFMBE S&RG-WG and Mateo Valverde, member of IFMBE S&RG-WG.

The following distinguished professors were invited:

- Prof. Ratko Magjarevic, University of Zagreb, Croatia, President of IFMBE
- Prof. Shankar M. Krishnan, Past-president of IFMBE
- Prof. Kang-Ping Lin Taiwan, Vice - President of IFMBE. Taiwan. Chungyuan Christian University.
- Prof. Piotr Ladyzynski. IFMBE Chair Industry of Committee. Poland.

The following students and recent graduates were invited as a panelists:

- Sumeja Hadžalić (Bosnia & Herzegovina), Young Scientific Ambassador, MEDICON & CMBEBIH 2023, Student Faculty of Pharmacy, University of Sarajevo, Bosnia & Herzegovina.
- Julian Sierra-Velez (France). PhD student at UTT, France.
- Kruno Jurčić (Croatia). Ph.D. Student at the University of Zagreb, Croatia.
- Mariana Ribeiro Brandão (Brazil) PhD Student - Biomedical Engineering - Federal University of Santa Catarina, Brazil.
- Leslie Cieza (Peru). MBA. Candidate to Master in Biomedical Engineering, Academic Coordinator of Clinical Engineering at Universidad Peruana Cayetano Heredia, Peru.
- Mateo Valverde (Ecuador). Researcher of the GI-BI group at the Universidad Politécnica Salesiana, Ecuador.
- Chuang En (Taiwan). Electrical Engineering Ph.D. student at Chung Yuan University, Taiwan

PROF. MARTHA L. ZEQUERA
 AC member of the International Federation of Medical and Biological Engineering (IFMBE).
 Chair IFMBE Students and Recents Graduates Working Group (IFMBE S&RG – WG).
 Chair Education & Accreditation Committee of IFMBE. CORAL Vocal
 Professor of Bioengineering of Pontificia Universidad Javeriana, Bogotá
ORGANIZING COMMITTEE
 Sumeja Hadžalić, Local Organizing Committee, MEDICON & CMBEBIH 2023
 Leslie Cieza, member of IFMBE S&RG-WG
 Mateo Valverde, member of IFMBE S&RG-WG

MEDICON'23 - SPECIAL SESSION IFMBE E&A COMMITTEE AND S&RG-WG

MEDICON
 International Conference on
 Medical and Biological Engineering
 Sarajevo, Bosnia and Herzegovina 2023

**14th - 16th
 September 2023**

**EDUCATION IN BIOMEDICAL ENGINEERING: FOR
 PROFESSIONALS & FOR STUDENTS**

Web site: <https://cmbebih.com/>
 Place: Hall 1
 Friday, September 15th, 2023 | 16H00 – 18H00 UTC/GMT +2

GUEST MODERATORS

| Prof. Ratko Magjarević |

| Prof. Shankar Krishnan |

| Prof. Kang-Ping Lin |

| Prof. Piotr Ładyżyński |

| Prof. Jari Hyttinen |

| Adna Softić, MSc |

GUEST PANELISTS

| Sumeja Hadžalić |

| Julián Sierra |

| Kruno Jurčić |

| Mariana Brandão |

| Leslie Cieza |

| Mateo Valverde |

| Chuang En |
