Position Statement (not to exceed 200 words)

I am honored to stand as a candidate for the IFMBE CED Board Member. With over 30 years of diverse experience in healthcare technology management, including roles in radiology dept., CE, hospital administration, and international medical device companies, my career has been dedicated to advancing CE practices, improving HTM. I am excited to contribute my expertise to the IFMBE CED and work with you to shape the future of our profession.

My vision for the IFMBE CED is to strengthen global collaboration, promote innovation, and elevate the role of CE in transforming healthcare delivery. I believe that by fostering international partnerships, sharing best practices, and supporting the next generation of CE, we can address global healthcare challenges and improve patient outcomes worldwide.

I was very proud to be involved in organizing the 1st ICE&HTMC Congress in Hangzhou China in 2015. After 10 years, I am currently assisting in the preparation of the 6th ICE&HTMC Congress, to be held in Shenzhen China in October. I warmly invite dear global CE professionals to join us in Shenzhen to share ideas, innovations and best practices. Together, we can build a brighter future for CE and make a lasting impact on global healthcare.
