NOMINEE INFORMATION

Nominated for the position of:	Clinical Engineering Division Board Member
Name:	Eng. Millicent Alooh, HSC
Affiliated Society:	Association of Medical Engineering of Kenya (AMEK)

Brief Biography (not to exceed 200 words)

Eng. Millicent Alooh HSC is a highly accomplished Biomedical Engineer with over 15 years of experience, earning international recognition for her expertise. She is the Honorary Secretary General for the Association of Medical Engineering of Kenya (AMEK), WIBEK's founder, and AWIBEA's co-founder. Millicent is an active member of AAMI, USA, and serves on strategic boards, including the WHO's STAG Medev, the Oxygen Co-lab, Netherlands, and the medical devices policy review committee at KEBS, Kenya.

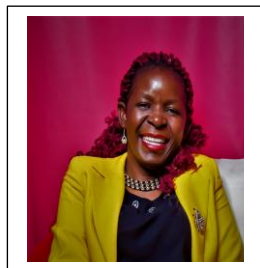

She currently serves as the Regional Director for BMET implementation at NEST360, where she plays a critical role in providing affordable neonatal technologies to reduce preventable newborn deaths across Nigeria, Malawi, Tanzania, Kenya, and Ethiopia. Previously, Millicent held senior roles in Kenya's private hospital sector in the biomedical engineering sections.

Her contributions have been recognized with numerous awards, including the Head of State Commendation (HSC) from former President of Kenya Uhuru Kenyatta for her Biomedical Engineering support during the Covid-19 pandemic, the Biomedical Champion of the Year 2021 (AMEK), Women Biomedical Champion of the Year 2022 (WIBEK), the Star of the Year Award 2021 (Kenya National Star Newspaper), and the HTM Leadership Award 2024 at the AAMI conference in Phoenix, USA. Currently pursuing a Ph.D. focusing on Healthcare Technology Management and Biomedical Engineering sustainability.

Position Statement (not to exceed 200 words)

She promises to champion policies and initiatives that enhance global biomedical engineering collaboration, drive innovation, and advocate for the recognition of biomedical engineers as key stakeholders in healthcare. Her focus will be on strengthening partnerships, influencing policy, and ensuring that biomedical engineering solutions are accessible, sustainable, and impactful worldwide.

She is committed to leveraging her expertise, leadership, and networks to contribute meaningfully to IFMBE's mission and vision.
