Please, copy the Nominee Information Form for each nominee.

## NOMINEE INFORMATION

Nominated for the position of:	<b>Health Technology Assessment Division Board member</b>
Name:	Salome Wangari Mwaura
Affiliated Society:	Association of Medical Engineering of Kenya (AMEK)

Brief Biography (not to exceed 200 words)

I have worked for the Ministry of Health in Kenya for the last twenty eight (28) years. My current position is Principal Medical Engineering Technologist in charge of HTM in Pumwani Maternity Hospital, which is the biggest Maternity Hospital in East and central Africa.

My duties and responsibilities include ensuring that all medical and Hospital equipment are in good and safe working condition, carrying out Planned Preventive Maintenance, providing specifications of all medical and hospital equipment procured by the hospital. I am a member of procurement and tender committees, and sit in the hospital management and expenditure committees, which are involved in the management of the hospital.

I have a Higher Diploma in Medical Engineering, from Kenya Medical Training College and a Diploma in Medical Engineering from Mombasa Polytechnic, now Technical University of Mombasa.

I have attended various upgrading courses including Imaging maintenance Level III, at DITEC Inc., USA, Management of X-ray Ultrasound, Kenya, Advanced Imaging Training and Healthcare Technology Management, Kenya.

I have studied Supervisory Skills Management and Senior Management Course in Kenya school of management to boost my management skills.

Position Statement (not to exceed 200 words)

I am a woman who is self-driven in biomedical engineering activities having done this for 28 years.

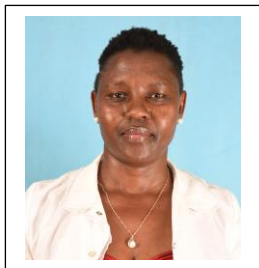

I have been taking part in IFMBE activity since 2015. I was in the team that went to South Africa in 2015 to start the African working group which was later formed in 2016 in Addis Ababa, Ethiopia and I have been serving as a member.

I was in the working group, which organised the first IFMBE African region conference, which was held in Nairobi in September 2023, and it was a huge success.

I have taken part in other IFMBE activities such as IUPESIM congress, 2015 in Toronto, 3<sup>rd</sup> ICEHTMC congress in Italy, 2019, and EMBEC 2024 in Slovenia where we agreed to revamp Africa working group that led to a meeting that was held in Kigali, Rwanda in September 2024.

I have also taken part in WHO activities including Equip Aid in France 2012, WHO world assembly in Switzerland 2012 and 4th global forum Medical devices in India 2018.

With the above experience and international relations, I believe I can be able to perform as a board member in the Health Assessment Division.

Nominee Photo (48 x 33 mm)

# INTERNATIONAL FEDERATION FOR MEDICAL AND BIOLOGICAL ENGINEERING

*Affiliated with the International Union for Physical and Engineering Sciences in Medicine (IUPESM)*
